With your support,

UNITED WAY IS TACKLING CRITICAL COMMUNITY CHALLENGES THAT MAKE A DIFFERENCE!

*Working
TOGETHER*

we can make sure that no family with children has to sleep out in the cold during the harshest months of the year.

When everyone comes together we achieve amazing results!

With your support, United Way worked with shelter providers, churches, and the municipality creating a special sheltering service and for the past 5 winters, families with kids had a warm place to stay even when regular shelters were full.

Now you can help put these families on the road to permanent housing and financial stability.

HOPE

in the hearts of children who are eager to succeed, your support ensures they are ready for kindergarten, get needed help throughout their school years and graduate on time. Together, we have raised the graduation rate 20 points district wide.

You can help reach the goal of 90% graduation by 2020 and assure that all of our kids are prepared and successful.

YOUR SUPPORT IS CRUCIAL to ensuring that Anchorage is a thriving community for all of us!

*Improving
LIVES*

of those in need lifts up everyone in the community with a more educated workforce, better economy and safer city.

This is just the beginning of what's possible when YOU join forces with United Way to work together.
